**WE VALUE YOUR PRIVACY! Please REFRAIN FROM USING YOUR
CELL PHONE for active calls and recordings. THANK YOU!**

**We provide our services without discrimination to people of any
age, race, income, nationality, religious affiliation, disability or
other arbitrary circumstances.**

A Quick Guide to Your Appointment

- Meet with your Advocate who will...
 - Perform a brief situational assessment
 - Provide information on all of your options
 - Create a plan of referrals and next steps
- Meet with our Licensed Medical Staff who will...
 - Answer any of your medical questions
 - Perform the pregnancy test and, if positive, determine if an ultrasound exam may be offered to confirm pregnancy and verify how far along you are
 - Provide STD testing information

Privacy Policy

Assure Women's Center encourages the support of friends and family during your appointment. To ensure the confidentiality and privacy of our patients:

- Your initial assessment will be performed without any guests. However, at your request, guests are welcome to join you during your ultrasound exam.
- **Active calls or recordings during the appointment are prohibited.**

Your cooperation is greatly appreciated. Thank you for understanding.
