

**Job Title:** Mobile Unit Nurse / Sonographer

**Hours:** Part-time Tuesday/Thursday 9am – 3pm & additional day TBD

**Reports To:** Medical Services Manager

**Job Purpose:** To provide medical information and services in nursing and sonography, following the Focus Patient Process, in a Medical Mobile Unit setting.

**Job Responsibilities:**

1. Adhere to the 15-Step Focus Patient Process
2. Provide excellent and consistent care
3. Run pregnancy and STD tests as needed
4. Provide STD treatment according to protocol by preparing and dispensing medication
5. Take a basic health history and give information according to the nursing script
6. Provide early obstetric ultrasounds according to Assure Women's Center's protocol
7. In the nursing role, close out the patient at the end of the appointment, giving information and providing a copy of the verification of pregnancy and the personalized solutions assessment
8. Collaborate with the Mobile Unit Supervisor to determine the next step for the patient according to the patient process
9. Strategize and innovate ways to effectively operate the Medical Mobile Unit and reach the community we seek to serve
10. Mandatory observation with Ultrasound training on a yearly basis
11. Attend staff meetings and events as required
12. Other duties as assigned

**Qualifications:**

1. Meet the requirements located on the Assure Women's Center application
2. Maintain an LPN, RN or RDMS license
3. Fulfill training in the nursing procedures of the Center
4. Fulfill ultrasound training according to the Center's ultrasound protocols
5. Bilingual preferred, but not required
